Dear Author,

We have reached a decision regarding your submission to JOIV, your article with title

" Design Thinking Approach for User Interface Design and User Experience on Campus Academic Information Systems " .

Our decision is: Revisions Required

The word number in abstract should be within 230-250 words and consists of objectives, materials, method, results, and implication for further research.

All the citations should be listed in the references. It is expected that the citations are at least 30 sources, and 70% are the publication within 2017-2022

Review 1

Overall evaluation 2: (accept)

The design thinking approach for user interface should have an strong argument about how to prepare the real data

Overall evaluation 2: (accept)

1. Please rechecked sentence structure (grammar, and structure). To improve readability, We prefer you to use 10-15 words in every sentence.
2. Has this research existed before? You should add references to previous studies and the differences between them and this research
3. Please follow JOIV format, or your submission will not published in the journal:
<https://docs.google.com/document/d/1FenjxAQhzQsvi6u8Zu6e86SajSCgWeVI/edit?usp=sharing&ouid=100759828706510723557&rtpof=true&sd=true>

Outline: Introduction, Material and Method, Discussion and Result, Conclusion

Review 3

Overall evaluation 2: (accept)

the topic is interesting and suitable for JOIV,

Please send revision through this email with Subject " [Title] revision" as soon as possible.

Best regards
